DETAILED ACTION

EXAMINER'S AMENDMENT

Authorization for this examiner's amendment was given via email by Mark Friedman on 06/22/2005.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

1. Claim 46 (Previously Presented) A computer implemented method executing on a computer system for image-based matchmaking of a searcher and prospective candidates, the method comprising:

- (a) providing an image of each of the candidates;
- (b) analyzing said image of each of the candidates to define physical characteristics;
- (c) storing said physical characteristics;
- (d) selecting at least one potential match between the searcher and said candidates based on said characteristics;
- (e) providing at least one referee by the searcher, and
- (f) specifying a gender of said at least one referee.

Art Unit: 2174

2. Claim 52 (Previously Presented) A computer implemented method executing on a computer system for image-based matchmaking of a searcher and prospective candidates, the method comprising:

- (a) providing an image of each of the candidates;
- (b) analyzing said image of each of the candidates to define physical characteristics;
- (c) storing said physical characteristics;
- (d) selecting at least one potential match between the searcher and said candidates based on said characteristics;
- (e) providing at least one referee by the searcher, and
- (f) providing information on the searcher by said at least one referee.

Allowable Subject Matter

Claims 46-60 are allowed.

The following is an examiner's statement of reasons for allowance:

In regards to independent claim 46, the prior art does not teach a method for image-based matchmaking of a searcher and prospective candidates, the method comprising: analyzing said image of each of the candidates to define physical characteristics, providing at least one referee by the searcher, and specifying a gender of said at least one referee, in combination with all of the other claim limitations.

In regards to independent claim 52, the prior art does not teach a method for image-based matchmaking of a searcher and prospective candidates, the method

Art Unit: 2174

comprising: analyzing said image of each of the candidates to define physical characteristics, providing at least one referee by the searcher, and providing information on the searcher by said at least one referee, in combination with all of the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
